Amendment to the Event Timetable

Race #1

Porsche AG has agreed a Presentation Lap with the organisers for race #1 on Saturday 13th May 2017. This is an additional lap for the benefit of the teams and drivers. The timetable for race #2 does not permit a Presentation Lap.

The cars will assemble in the Pre-Grid area as before. When signalled to do so, the cars will proceed into the Pit Lane and will travel along the Pit Lane in the normal direction (not the direction stated in the Drivers Briefing notes). The cars will form up in the Pit Lane and await a signal to proceed. When signalled to do so, the cars will proceed onto the circuit for **1 lap** and must then go straight to the grid (unless a car has a technical problem and requires to return to the pits).

The cars will form up on the grid as normal and the countdown will commence as previously stated.

The procedure for race #2 on Sunday 14th May 2017 will follow that stated in the Drivers Briefing notes.
