From:	The Stewards	Decision No:	46
To:	The Competitor's Representative BLACK FALCON	Date:	30th September 2018
		Time:	21:40 hrs

The Stewards, having received a report from the Technical Delegate (Technical Report No.8), having examined photographic evidence, summoned and heard from the competitor's representatives, have considered the following matter and determine the following:

No.: 4

Competitor: BLACK FALCON

Session: Race

Facts: Tape is present on the air inlet tract of car 4, which is not present on the FIA Homologation Form #042 for this car.

Offence: Breach of Articles 6 and 11 of the Blancpain GT Series 2018 Sporting Regulations

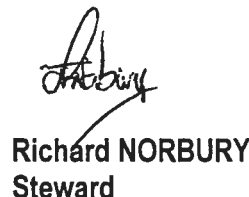

Decision: **Car 4 is disqualified from the race.**

Reason: The Technical Delegate reports that there is black tape present on the chassis air inlet tract of car 4 which is not present on the FIA homologation #042 for this car. The Stewards have viewed photographic evidence of car 4 and compared this with the Engine compartment photograph on the Homologation Form #042. They have summoned and heard from the competitor's representatives (Sebastian Wittrisch, Marvin Wagner and Tino Naundorf) who acknowledge the presence of the tape but state that it this has been normal practice for the team to present their cars in this condition since running Mercedes AMG cars and that no performance advantage is gained. The Stewards, however, consider that this represents a technical non-compliance and determine that this is a breach of Articles 6 and 11 of the Blancpain GT Series 2018 Sporting Regulations. Accordingly, they disqualify car 4 from the race.

The Competitor is reminded of his right of appeal in accordance with Article 15 of the 2018 FIA International Sporting Code.
