

# STATEMENT OF PURPOSES AND VALUES

**C**ircuit de Barcelona-Catalunya **shall turn into a strategic hub** for the industrial and economic development of Catalonia, as well as for its international showcasing, being host to the most significant motorsport competitions and events.

**I**nspiring the values of the city of Barcelona, a model based on a cosmopolitan city that stands out due to its creativity, innovation, quality of life and its tradition and history, we will boost the attractiveness as a tourist destination.

**R**einforcing the continuous improvement in the economic, socio-cultural and environmental fields, we shall turn into an international benchmark becoming a **driving force towards a new sustainable economy**, providing values, always in harmony with the SDS.

**C**ontributing to **raising public awareness as regards the sustainability**, we will promote the need to boost the joint responsibility of all agents involved in the organisation of events.

**U**nderpinning and joining present and future opportunities as regards the sustainable organisation of events, we want to **add to the territory**, with the will to **leave a positive legacy to future generations**.

**I**nvolving ourselves in **the fight against climate change** according to COP21, we will give priority to efficiency, the progressive and constant reduction of our impacts on the environment and the improvement of our biodiversity by means of a sustainable forest management.

**T**reating all of our own workers, as well as those who provide external services and suppliers, with dignity, no discrimination, we shall provide for **equal treatment and opportunities**.

**C**ommitment to **good governance** while managing the activity, specifically as regards the fundamental values of integrity, honesty and transparency, as well as guaranteeing confidentiality and data protection.

**A**ll stakeholders shall be involved in our engagement to foster **accessibility and labour inclusion of people with disabilities or in risk of social exclusion**.

**T**ransmission of the actions that we promote in our 3C CirCuitCat sustainability management: **“Conscience, Commitment and Coherence”** to re-educate the public attending our events.
