## WELCOME TO BARCELONA

The Circuit de Barcelona-Catalunya, with over 30 years of experience hosting F1 and MotoGP events, offers a unique environment to boost business and advertising.

Just 20 minutes from Barcelona, it stands out for its close connection to top-level motorsport, its culture, climate, and exceptional gastronomy.

We offer a personalized service to ensure a unique experience, with exclusive welcomes tailored to each space and parking areas reserved specifically for hospitality, all designed to maximize our clients' comfort and satisfaction throughout the event.

INDIVIDUAL  
SALE

**MOST EXCLUSIVE  
PRODUCT**

**montjuïc  
club**

Montjuïc Club is the most exclusive individual hospitality product available for both private clients and companies.

Located in an exceptional setting on the first floor of the pit building, right next to the Pit Lane, the starting grid, and the finish line, it allows all guests to experience the thrill of the races up close. It offers excellent gastronomy throughout the day, with the opportunity to share the experience with other racing enthusiasts.

## SERVICES

- Space located on the first floor of the pit building, with capacity for 300 people.
- Unnumbered seat in the VIP Grandstand T10 (subject to availability).
- Access from Friday to Sunday included, with direct track view.
- Activations and experiences included.
- Furnished space with Wi-Fi and TV screens broadcasting the race.
- Parking included (1 parking space for every 4 guests).

### FRIDAY, SATURDAY AND SUNDAY

Buffet-style catering service and a selection of beverages included (water, soft drinks, beers, wines, coffees).

PRICE PER PERSON – 3 DAYS  
**900 € + 21% VAT**

montjuic club

EXCLUSIVITY &  
GASTRONOMY

# pit lounge lounge

Located next to the main straight, spectators can enjoy all the excitement of the start and the finish. So close that you can feel the vibrations of the engines and be among the first to see the winners.

It is a space designed for a memorable experience, offering the best gastronomy and comfort, right next to the racing action. This is the very essence of exclusive areas.

## SERVICES

- Private space with capacity for 300 people.
- Access to the terrace with privileged views of the main straight.
- Available on Friday, Saturday, and Sunday.
- Parking included (1 parking space for every 4 guests).

**FRIDAY, SATURDAY AND SUNDAY**  
Buffet-style catering service and a selection of beverages included (water, soft drinks, beers, wines, coffees).

PRICE PER PERSON – 3 DAYS  
**825€ + 21% VAT**

**pit lounge lounge**

A magical outdoor space where rhythms come together and an unbeatable atmosphere is felt. On one side, the memory of MotoGP riders speeding through the final corner; on the other, a gastronomic area with lounge and live music to enjoy the races in comfort and tranquility.

The space is spread over 3 floors, distributed as follows:

**Ground Floor:** Space capacity for 500 people.

**First Floor:** Space capacity for 200 people.

**Second Floor:** Space capacity for 40 people.

garden

SPACES

## PANORAMIC VIEWS

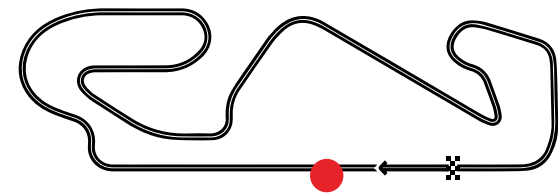

With a panoramic view of the circuit's main straight, this space offers a front-row seat to some of the most thrilling moments of a Grand Prix, the start, the finish, the pit lane action, and the podium ceremony.

Located on the first floor of the main grandstand, these suites feature large slanted walls that make you feel as if you're part of the track itself. Ideal for companies and brands, these private spaces can be customized, making them a powerful tool for client engagement and loyalty.

# WORLD'S MOST SUSTAINABLE CIRCUIT 2022 - 2025

CONSULTORA RIGHT HUB

The connection with the Circuit is also a commitment to the continuous improvement of environmental performance based on the 3 Cs: “Awareness, Commitment, and Coherence,” making it the first circuit to obtain the ISO 14001 certification in 2008. The Catalan circuit holds additional certifications that demonstrate its management contributes to achieving the United Nations Sustainable Development Goals (SDGs), as well as other recognitions. Today, the global circuit follows a roadmap defined in a new strategic plan, aiming to make the circuit a key infrastructure for the country’s industry, with a clear focus on innovation, digitalization, and sustainability.

Its partnership with us, therefore, represents the joining of forces in the mission “Driving for a better future” to actively contribute to achieving environmental, social, and economic balance.
